Hi Will,

I assume you must have received Joel's out of office notice that he is on vacation until October 9th. Is there a day next week that works for you?

Regards,
Will

Hi Will and Joel,

Toyota would like to have a short – about 30min – call or meeting to share initial information about and discuss an upcoming safety recall for Prius Inverter.

Do you have some time this Thursday or Friday to discuss?

Thank you for your consideration.

Best regards,
